

## Volunteer Service Opportunities

See the opportunities below and check the ones that interest you on the **application**. Once you complete the application, you will be invited to attend an **Orientation** held twice a month. If you are interested in working directly with our survivors and/or their children, please see **Client Based Services**

**SPECIAL EVENTS** – *On occasion*, volunteers are needed to help with fundraising events, Santa's Store, or craft workshops. Our volunteers can help with hospitality at an event which could include baking, serving food, and greeting guests. There are times, we need help selling tickets, decorating, set-up and tear down. It takes several STARS to pull-off a successful event. Let us know your specialty!

If you like to be called when we need help with a project or event, check Special Events on your application.
